

# Fibre Safety Kit

# FS9500

The FS9500 Fibre Safety Kit is purpose built for working with glass fibre. It is ideal for working safely with Anderson Fibre Optic Cables.

The Kit includes alcohol swipes that will help speed up the cleaning process & avoids the use of bottled alcohol.

With all this inclusive kit you will avoid those nasty glass splinters.

## INCLUDES

Each kit includes a:-  
Fibre-safe working mat  
Small bin for fibre scraps  
Cleaning swipes  
Tweezers for splinter removal  
Safety glasses.
